Hard Packs will hopefully have arrived last week for some more learning for you! -

The packs include stationery, reading books (e.g school journals), subject specific learning materials and fun activities. Parent and whānau guidance is also included to support children learning from home.

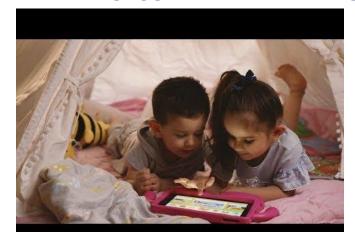

# Reading eggs

I highly recommend downloading reading eggs for your Tamariki they have a 30 day free trial and it gamifies learning so your kids won't even realise they are learning with all the fun they are having! It makes learning so much easier.

This also includes a trial for a maths and phonics version too!

# Zoom

I am starting up zooms for everyone this week I will text out the link on the day and post it in the facebook page too.

Zoom is a great way to connect and get some learning done.

Zooms can be done on a device with a camera or a phone.

Please have ready the device and some pens and paper for the kids.

Can't wait to see you there!!!

#### ZOOM CHEAT SHEET FOR BEGINNERS

If you've never used ZOOM before, here are a few easy steps to get you started.

#### If you don't have a hyperlink:

- 1. Open up your web browser and log into Zoom.com
- 2. Click on join a meeting
- 3. Type in the meeting ID and click join
- 4. You may need to click on [open.zoom.us], especially the first time
- 5. Click join with computer audio

#### If you were given a hyperlink:

- Click on the link and it should take you directly to the meeting.
- 2. Follow steps 4 & 5 as stated above.

#### **Helpful Tips:**

- Your microphone and video controls are in the bottom left corner. Please keep on mute unless you are speaking.
- If you are accessing Zoom from a tablet or your cell phone, you will need to first download the Zoom app.
- 3. At the top of the page, you will see other participants.
- 4. Please be respectful of others speaking and wait your turn.

# Zoom and FB live Schedule Week 7 6th - 10th September

Sessions will be between about 30 mins depending on engagement and content.

They will all be posted on the fb page and I will also send out the links as a text the night before or morning of.

Sessions are being run by all the junior teachers for everyone to join and there are also some full school assemblies.

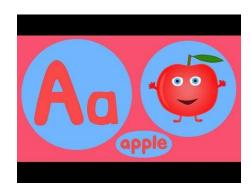

Feel free to email or text me feedback or any requests around times and content.

# Phonics - This week's focus: G g, R r

We are learning all about letters! We want to know the names of the letters, sounds they make and words they start with. Some activities you can do at home.

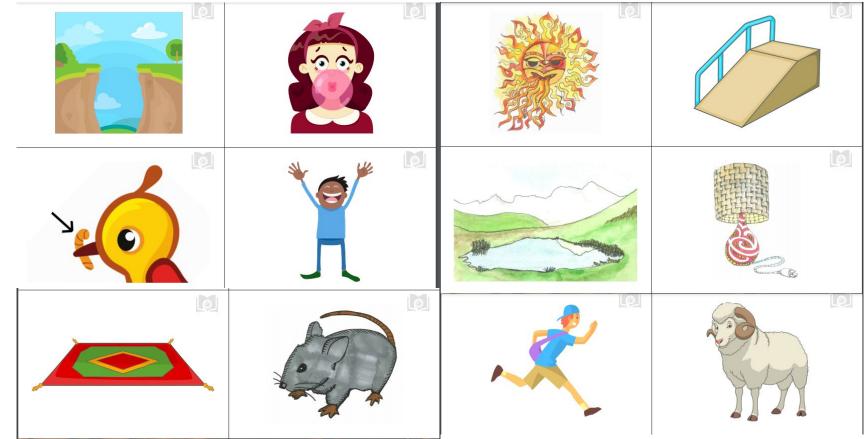

- Listen to and sing the phonics song 2
- Practice writing letters (chalk, pens, colours etc.)
- Play "I spy something starting with ... (letter sound)"
- Sound out words when reading and writing.
- This weeks main letters are G g, R r.
- Here are some words to sound out and write with your kids.
- Ramp, ra, rama, roto, rat, rug, ram, run, gum, gap, glad, grub, gran

# This weeks focus words

| ramp | rā   | gum  | gap  |
|------|------|------|------|
| rama | roto | glad | grub |
| rat  | rug  | ram  | run  |

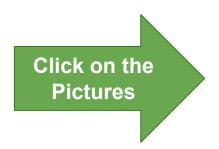

# Can you match the focus words to a picture?

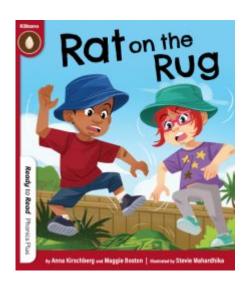

### **Phonics - cont**

You can read the BSLA books that go with the phonics programme we are doing below. The link takes you to the book PDF and audio recording. Room 12 are reading the <u>Kakano - Seed Books</u>

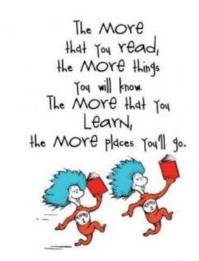

#### This weeks book:

# Reading

 Practice your kids sight words help them sound them out and once they know them they can practice writing them. (They are in their book bag if you don't have them or they learn them all and need the next sheet please let me know.)

- Read stories to your child whenever you can you can go on youtube, <u>Epic</u> and Storytime Online for more books.

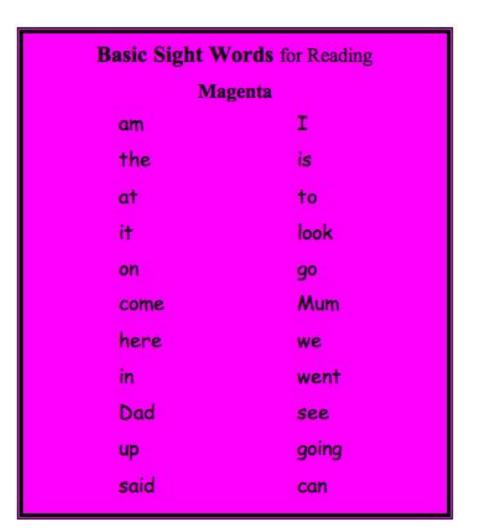

Storyline Online

- Read the <u>ready to read books</u> with your child, aiming for about one a day or the phonics ones on the previous slide. I will link them in the images on next slide.

# Old BSLA phonics plus ready to read books

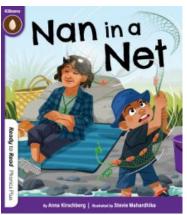

# Writing - Draw a picture then write about it!

Help students to write some stories (about 1-2 sentences) once a day.

Help them sound out the words allowing them to trace over your writing or writing without tracing if they are more confidant.

#### Some ideas of things you can write about include:

- What does thunder sound like?
- What is the difference between apples and oranges?
- What is something you have made this lockdown?
- Who is someone important to you?
- What do you love about spring?

Other tasks: copy words from around the house and practice writing their name full

.

# **Maths - Number and fractions**

Your kids are learning about counting to 100. Numbers before and after 20 and counting in 2's you can play games with them asking and talking about numbers and play the linked songs.

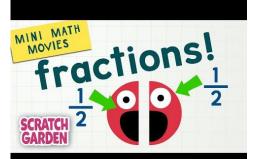

DICE GAME: roll two dice Write an equation to match the dots you see eg 5+1=6. Repeat this 10 times

#### **Fractions**

When we get back to school we are going to start learning about fractions! Here are some activities you can do at home to start learning about fractions-

- Help your grown up make a sandwich and cut it in half.
- Make a pile of 10 objects and split them into 2 equal groups. How many are in each group? How many would be in each group if there were 4 equal groups?
