Phonics

We are learning all about letters! We want to know the names of the letters, sounds they make and words they start with. Some activities you can do at home.

- Listen to and sing the phonics song 2
- Practice writing letters (chalk, pens, colours etc.)
- Play “I spy something starting with ... (letter sound)”
- Sound out words when reading and writing.
- Here are some words to sound out and write.
- Nap, nut, nan, niho, noke, noho, bat, bug, bun, bed, bin

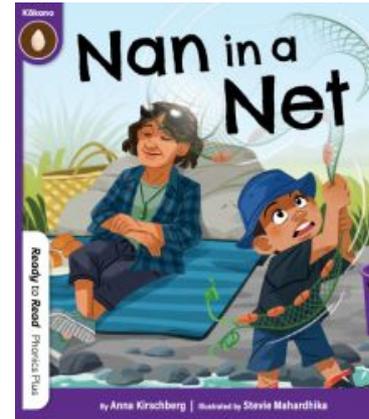

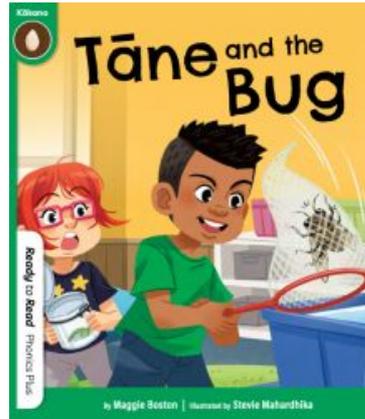

Phonics

You can read these books that go with the phonics programme we are doing below. The link takes you to the book PDF and audio recording.

Fractions

When we get back to school we are going to start learning about fractions! Here are some activities you can do at home to start learning about fractions-

- Help your grown up make a sandwich and cut it in half.

- Make a pile of 20 objects and split them into 2 equal groups. How many are in each group?
How many would be in each group if there were 4 equal groups?
