8. Be diligent and attend board meetings prepared for full and appropriate participation in decision making
9. Ensure that individual trustees do not act independently of the board's decisions
10. Speak with one voice through its adopted policies and ensure that any disagreements with the board's stance are resolved within the board
11. Avoid any conflicts of interest with respect to the trust and integrity placed upon trustees in the execution of their roles
12. Recognise the lack of authority in any individual trustee or committee/working party of the board in any interaction with the principal or staff
13. Recognise that only the chair (working within the board's agreed chair role description or delegation) or a delegate working under written delegation, can speak for the board
14. Continually self-monitor their individual performance as trustees against policies and any other current board evaluation tools
