Update # 6 **To the Pukekohe North School Community** **2.4.2020**

Kia ora koutou,

Greetings and my best wishes to you all.

We are working with the Ministry of Education to provide families with On Line Learning within the next two weeks.

I understand that will mean supplying an electronic device and internet access to each whanau attending Pukekohe North School.

I do not have the details as yet, BUT as soon as I know anything, I will send the information to you.

I have asked each teacher to make contact with the students in their classrooms NEXT WEEK.

This will probably be by text.

Please let our Pukekohe North School Staff help you to allow your child(ren's) education to continue through the LOCK DOWN Period.

We are trying to establish ZOOM and What's App communications with our community.

I will be calling each whanau on our School Roll from tomorrow to see how our teachers can best keep you informed of educational developments and our students learning.

Finally in this Update, should you or a whanau that you know need assistance please contact the following:

Nga Whare Waatea Marae - Open Mon-Fri, 10am-2pm. Head to the Marae at 31 Calthorp Close, Mangere with ID. Wait in car and staff will get to each person one at a time, asking relevant questions as needed.

Salvation Army Pukekohe 09 238 5641 are only doing Emergency Food Parcels to whaanau in our area, and their usual criteria still applies where they have had to have exhausted their food help with Winz. They will need to pick up from Tobin Street though as they have a process for that. Emergency Food Parcel days are Wed and Friday 10am to 12pm

Anglican Church (Jan Wallace) 09 238 7723. They will give out food parcels to those in need if Work & Income are unable to supply and they have drivers who will drop off parcel to people's gate

Ngā mihi

Matua Jim
