

Community Feedback for Principal Appointment

Kia Ora Koutou,

To the Parents and Community of Pukekohe North School

As many of you may be aware, as communicated early this week our Tumuaki Jim is retiring. The Board is underway with the appointment process for selecting our new Principal. We have held an initial meeting and made some key decisions about the process and the timeframe. We are pleased to advise that we will be assisted by a very experienced Principal (and education consultant) - Tony Grey from Te Ao Mārama School, Hamilton. Tony has assisted other local schools with recruitment.

At this initial stage, the Pukekohe North School Board invites you to share your views about the skills and personal qualities that you would wish to see in our new Principal.

Please complete the short survey here: [Community Feedback for Principal Appointment](#)

The survey will be kept open until Monday 10th June 2024 we would love your feedback on this important appointment. After this we will use the responses to help shape the criteria for appointment.

We will look to provide ongoing updates as we work through the process over the coming months.

Thank you in advance for your time and thoughts.

Ngaa Mihi

Suzanne Konelio

Presiding Member

Pukekohe North School Board
