

Term 3 - Week 5

23 - 27 August

Reminders - Nga Whakamaumaharoa

Monday -

Tuesday -

Wednesday -

Thursday -

Friday -

Hi everyone,

I hope you are all fine and keeping safe with your whanau.

Just want to answer some questions that have been asked:

How do I get into our google classroom work?

- You will need to google search 'Google Classroom'.
- Click on "Google Classroom" (<https://classroom.google.com>).
- Log in using your google account (eg:2amatete@pukekohenorth.school.nz) and your password.
- That should take you to 2021 Akomanga 1.
- If you have forgotten your password, please leave me a message and I will get back to you.

Where do I write my answers for my work?

- Type all your answers on a new Google Slide. Please click [here](#) to find your google slide.
- Add all your work/answers on this one google slide.
- Make sure that you have a slide/page for each different learning area eg: a slide/page for maths, a slide/page for reading, etc.
- If you are writing in a book, take a photo of your work and upload it on to your google slide.
- Having one google slide per child will make it easier for me to mark your work. You can just add a new slide/page to your google slide for new work - please do **NOT** send me lots of different google slides/google docs. I would prefer one google slide per child with all your week's work.

What do I do if I don't have my school journal for reading?

- I have added photos of your text to your reading group's google slide.
- Please follow the links for your follow-up activities.

How do I do my basic facts?

- Please go to **Classwork** and find your basic facts there.

What do I do if I have finished all the work?

- Here are some fun activities [Learning from Home](#) and [3D drawing](#).

Please feel free to leave me a message if you are unsure of what to do.

Keep smiling and Stay Safe in your bubble :)

Maths: Basic Facts & Independent work

Task 1 - Click [here](#) for your basic facts tasks

- Tuesday - Activity a
- Wednesday - Activity b
- Thursday - Activity c
- Friday - Activity d

Task 2 - Click [here](#) for your fraction task
