

Term 3 - Week 7

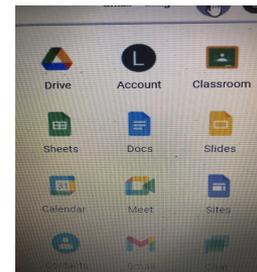

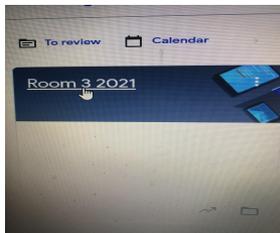

6th - 10 September

Instructions

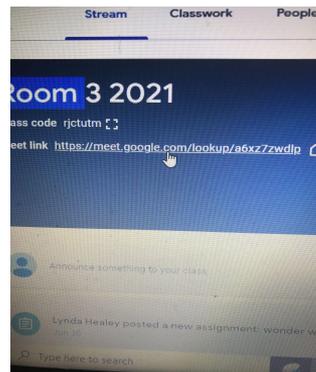

I am going to hold a google meet at 3pm on Tuesday.
To join, all you need to do is open google and click on google classroom.

Then click on Room 3 2021

Then click on this link next to Meet Link

If you do this at 3pm you will be able to chat to everyone who is on line with us. Looking forward to seeing as many of you as possible :-)

Tuesday 7th, come with a joke to share.

Remember

The non device slide is for those of us who are using a phone to access our online work. Although some of the activities are similar, I do still expect to see work uploaded or emailed to me.

We still have 3 learning weeks until the holidays start.

Seedlings

While I was at school last Thursday sorting out the hard copies of work for many of you, I got to check on our seedlings. As you can see our radishes are doing great (hope you all like radishes LOL). Our carrots are coming along. If you look close enough, you can see some small green sprouts :-)

Radishes - looking good :-)

Carrots - very small but are there :-)

Maths - Must Do

Time: Create an obstacle course outside and time yourself completing it. Challenge members of your family for a competition.

1. What is the quickest time?
2. What is the slowest time?
3. What is the difference between the quickest and slowest time?

Can you complete the course in different ways?
(jumping, skipping, hopping)

4. What is your quickest and slowest time?

Reading - Must Do

Click [Wonder](#) - Lunch and The Summar Table

Writing - Must Do

Click [Naughty Thing Poem](#)

Stem Challenges - Can Do

Isolation Chairs: Make little chairs out of random things you find around your house.

Instructions: Activities for Devices

1. Complete the three [Must Do](#) Boxes. Choose three of the [Can Do](#) activities.
2. Open our shared folder online work and find your named folder.
3. Complete your work on a google doc or slide and put it into your named folder .
4. Remember to write the date and the name of activity.
5. You can add photos if you want to.

Physical Education - Can Do

[Drip Walking Dance](#)

Mindfulness - Can Do

Helping Others: Help with a job without being asked (wash the window in your lounge or fold the laundry pile and put it away or mow the lawn or vacuum the whole house)
