

Te Wahanga Tuawha, Te Wiki Tuawha

Kia ora koutou te whaanau o Tirairaka,

This week I am using Google docs Classroom as another way to connect with you all. I sent a text to the contact number we have on our School records for each of you last week asking for confirmation of your name and date of birth. To those who responded I have sent you your gmail address and password. This belongs to you and should not be used by anyone else. You should be able to access your work when you're ready and I'm hoping that your whaanau will support you. Home Learning Packs were also sent out last week. Keep safe, keep well and keep smiling. Arohanui Whaea Hemoata
