

I Spy

Learning Objective: To quickly recall basic number facts.

Players:  - 

What you need:

Instructions:

- Set the cards out in a 5x5 grid (face up).
- One player is the caller. 'I spy two cards that add, multiply or subtract to make...'
- The remaining players must find two cards that are next to each other that can be added, multiplied or subtracted to make the given number.
- The winner has the most pairs.
